**REPORTS TO:** Administrative Team Chair(s)  
**HOURS NEEDED PER WEEK:** Varies, averaging 12 hours per week  
**DATES OF EMPLOYMENT:** Ongoing  
**THIS POSITION IS PAID MONTHLY.**

### EXPECTATIONS FOR ALL IMPACT EMPLOYEES:

*To support and promote IMPACT's mission.* IMPACT Chicago is committed to ending violence and building a non-violent world in which all people can live safely and with dignity. By teaching self-defense, we provide women and girls with the tools they need to prevent and minimize violence.

*To be capable of both collaborative and independent work.* As a primarily volunteer-run organization, we need to be capable of both collaborative and independent work. We must also have the tools to encourage others to work both collaboratively and independently. Every position has tasks that are performed independently without reminders.

*To work effectively and efficiently.* We are mission-driven with clear manageable goals. Our mission and programming are at the center of our work. We spend virtually all of our time on work that advances our mission or is required for fiscal solvency.

*To resolve problems in a respectful manner.* Our mission of non-violence extends into how we work with each other, how we address conflict, and how we resolve issues. We assume members of our community share our strong support for IMPACT's mission. Even when a mistake is made or when someone is inconsiderate, we address the issue respectfully without attacking the person and assume the individual has good intentions.

*To operate in accordance with our organizational philosophy and its underlying spirit.*

### EXPECTATIONS FOR THIS POSITION:

*To understand that this role is the “front-line” of IMPACT.* As the first person most people outside IMPACT communicate with, the Registration and Workshop Coordinator needs to communicate in a manner consistent with the IMPACT mission and process.

*To work collaboratively with IMPACT personnel.* Provide information and a perspective essential to making good decisions, such as, how many calls have come in about courses and workshops; what kind of programming are people requesting; and what are concerns people are raising.

*To make sound assessments of individual and organizational needs.* Work with individuals and groups to determine the kind of programming best suited to their needs, the resources they can contribute, and the kind of financial assistance reasonable for IMPACT to provide.

*To show initiative.* Ability to prioritize among demands of the job.

*To be responsive and inclusive.* Keep the Admin Team and other constituencies up-to-date on the status of registration and workshops. Serve as a liaison with constituencies both internal and external to the organization, often acting as an information resource.

*To maintain confidentiality and privacy.* Take the appropriate steps to protect personal and organizational information (e.g., participant information).
